

# Single-source industrial refrigeration solutions

## Screw compressor packages

RXF Screw Compressor Package

RWF II Screw Compressor Package

HPS Screw Compressor Package

RSH Semi-Hermetic Compressor Package

## Bare screw compressors

HPS Series

SGC / SGX Series

XJ Series

SH Series

## Packaged equipment

PowerPAC™

SmartPAC™

Packaged LazerWeld™ II (PLW II)

Liquid Recirculator Packages

Inline Packaged Ammonia Chiller (IPAC-S)

## Air handlers

AcuAir® Makeup Air Units

AcuAir® Performance Series

AcuAir® Food Grade Series

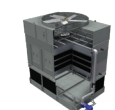

## Condensers

FACS Adiabatic Series

IDSC2 Stainless Steel Series

IDCF / IDC3 Induced Draft Series

XLP3b Forced Draft Series

ECC Centrifugal Series

ECL Low Profile Centrifugal Series

## Control products

Engineered Control Solutions System

Quantum™ HD Unity System Controller (Central or distributed)

Quantum™ HD Unity Compressor Controller

Quantum™ HD Unity Field Retrofit

## Motors, starters and drives

pDrive™ / rDrive™

Solid-State Starters

Smart Series Motors

Variable Frequency Drive Starters

## Evaporators

FPHE Systems

MANP Series

AGHN Series

AGBF Series

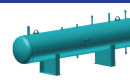

MDAN Series

AGBK Series

## Vessels

Custom Pressure Vessels

## Heat exchangers

LazerWeld™ II Plate Heat Exchangers
